Description

HOUSE FOR SALE IN LA LLOSA DE RANES

House under construction, with all the exterior walls and windows.

The house consists of a ground floor, which can be used as a garage, and on the first and first floors a beautiful duplex. It is located in a quiet street with little traffic and easy parking, it could also be used as a house on the ground floor, at street level. After its construction the ground floor was used as a bar-cafeteria, that is why it has two small toilets and a trap door in the floor to access a cellar that was used as a store room.
