Description

Fantastic opportunity to acquire land to build in the center of the heart of the old town of Xativa.

This URBAN plot is a green field with direct access to public streets, as well as access to the water and electricity of the municipality.

Located less than 50 meters from the historic cathedral on a quiet cul-de-sac.

Development potential! The property has potential to develop as a residential building or basement parking, ground floor plus three levels with a permeable attic at the top.

Xativa is a historic castle city with a rich multi-million dollar history with Phoenicians, Greeks, Romans and Arabs, recently it has become a favorite of tourism thanks to the popularity of the two Borgia Popes that were born here.
