Description

Spectacular stone house for sale in Potries, Valencia.

The property is located in a quiet area and very close to the mountains, just a few minutes from schools and health centres. And only 15 minutes drive to Gandía.

The ground floor is the main entrance with a large hall. A double bedroom to the right with a split AC and a single bedroom to the left with en-suite bathroom with bathtub.

We continue to the large living-dining room with fireplace, fully equipped kitchen, pantry, another bathroom with shower and exit to a beautiful patio.

On the first floor we find a nice living area with fireplace, distributed in an open plan area on the left (still to be finished) and a bedroom area on the right. There are three double bedrooms, one of them with en-suite bathroom with shower and access to a balcony. Another one with a toilet (to be finished) with access to a balcony.

The property also has extras such as air conditioning in one of the rooms and PVC double glazed windows in the rooms on the first floor.

This house has a lot of natural light, a handmade style built from the beginning to the end in stone. It also has a huge terrace with views to the mountains and the sea.

Take advantage of this great opportunity and visit it today!
